Purpose of this assignment

To demonstrate your capabilities in the following areas:

1. Develop Website to fulfil the business requirements

Submission Format

The submission is in the form of an individual written report with examples and illustrations. This should be written in a concise, formal academic style using single spacing and font size 12. You are required to make use of headings, paragraphs, and subsections as appropriate, and all work must be supported with research and referenced using the Harvard referencing system. Please also provide a bibliography using the Harvard referencing system.

Submission file

Submission File Name format: Cohort Code _Full Name _Assignment Number

E.g.: PDWD-FED-0624_AliceTan_A2.docx

Scenario

You are working as a junior web developer in a leading creative web solutions and marketing company, Pixel Elites Inc. Every year, your firm creates a variety of websites for your prestigious clients to promote their businesses. Mr. Henry, your project manager, assign you to construct a website for the client Silent Library to support the following features **with common header and footer** :

- Landing Page
- Books List
- Library Events And Promotions
- Sitemap
- Contact Page (Contact Details)
- Privacy Policy

You will be required to:

- Develop HTML pages with realistic content (avoid lorem ipsum).
- Plan CSS
- Make it responsive using Bootstrap

Technical Requirements:

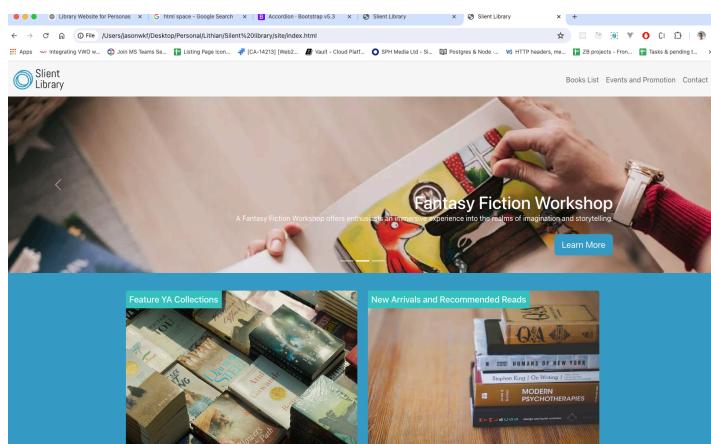

- Use HTML, CSS, and Bootstrap for front-end development.
- Implement responsive design to ensure the website is mobile-friendly.
- Use a consistent color scheme and typography throughout the website.
- Include animations or transitions to enhance the user experience.

Evidence to exhibit

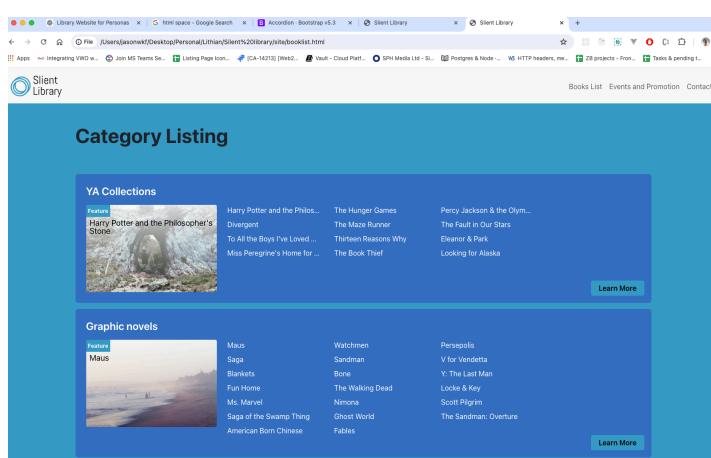

- HTML files
- CSS files
- Resources such as images, audio, and video files

Attached are the screen shots

Privacy Policy

The screenshot shows a web page titled "Privacy Policy". It contains several sections:

Data Collection Disclaimer

User Rights Information

Security Measures

Cookies and Tracking Declaration

Data Collection Disclaimer:

At Silent Library, we are committed to protecting your privacy and ensuring the security of your personal information. This Data Collection Disclaimer outlines the types of data we collect, how we use it, and the measures we take to safeguard your information.

Data Security:

We implement appropriate technical and organizational measures to protect your personal information from unauthorized access, disclosure, alteration, or destruction. Access to your personal data is restricted to authorized library staff and third-party service providers who need the information to perform their duties.

Data Retention:

We retain your personal information only for as long as necessary to fulfill the purposes outlined in this disclaimer or as required by law. Usage data may be retained in anonymized form for analytical purposes.

User Rights Information:

You have the right to access, update, or delete your personal information held by Silent Library. You can exercise these rights by contacting us at info@silentrelibrary.com. Additionally, you may opt-out of receiving marketing communications by any method, including the unsubscribe instructions included in our emails.

Changes to This Disclaimer:

We may update this Data Collection Disclaimer from time to time to reflect changes in our practices or legal requirements. We will notify you of any significant changes by posting the revised disclaimer on our website and indicating the date of the latest update.
